

First number of the ecuation

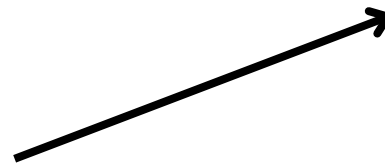

X

RESULT

$$X+Y=\infty$$

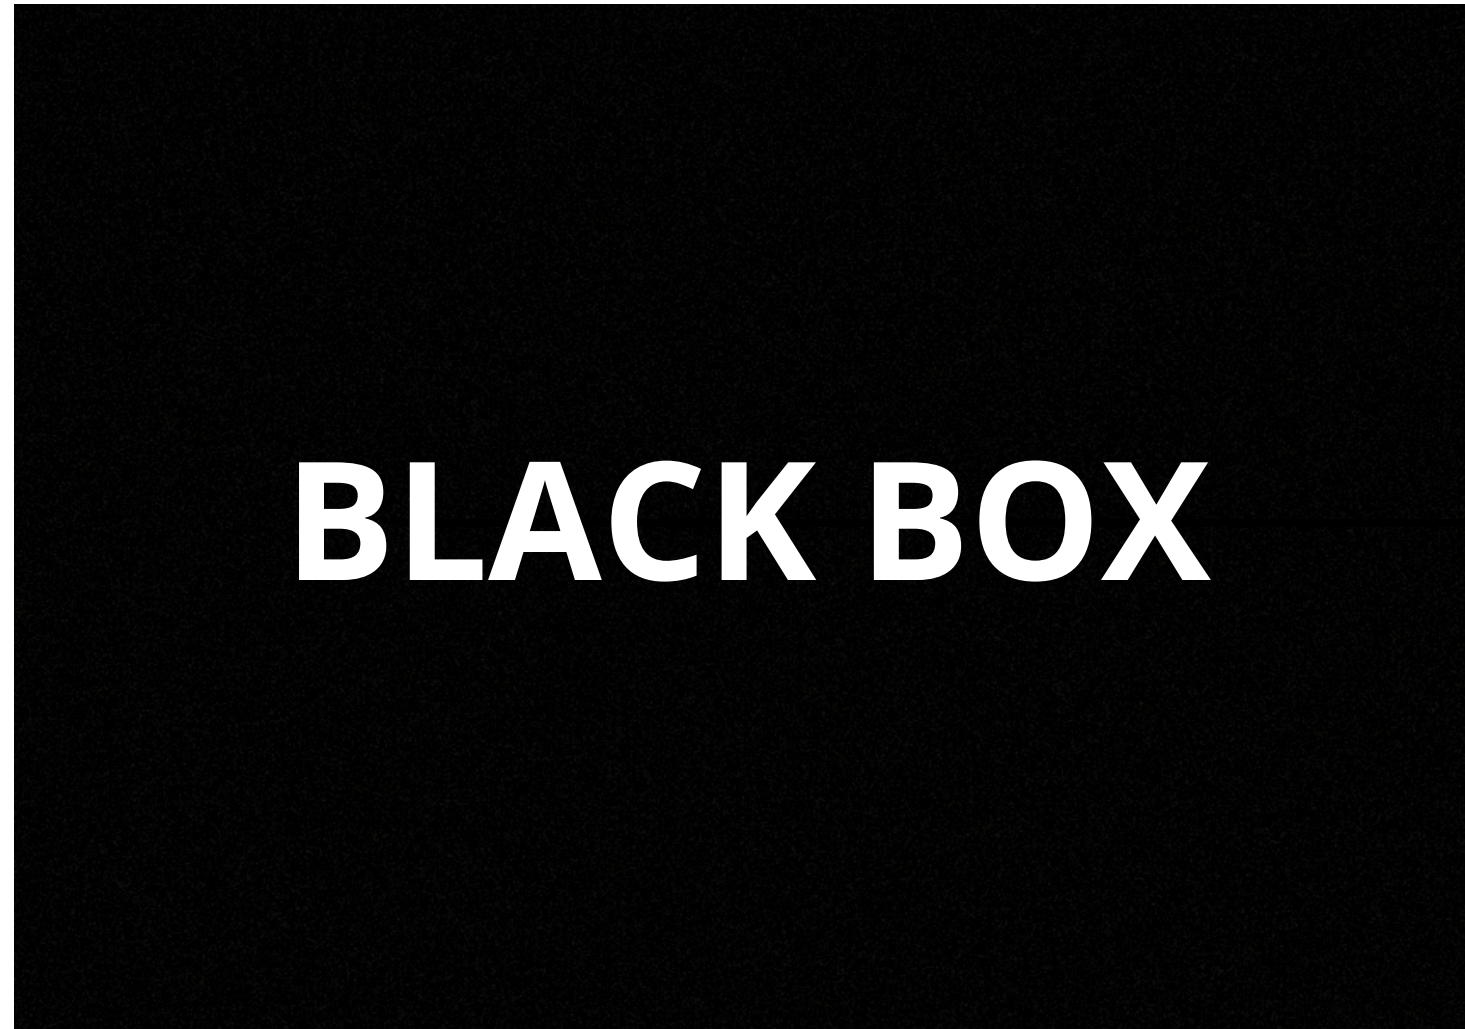

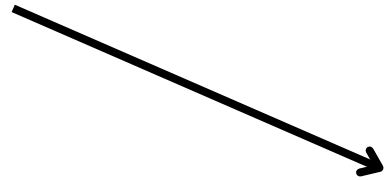

Y

Second number of the ecuation

First number of the ecuation

X

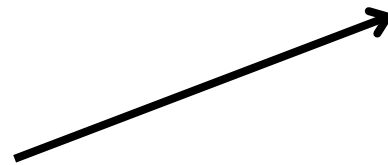

BLACK BOX

RESULT

$X - Y = \infty$

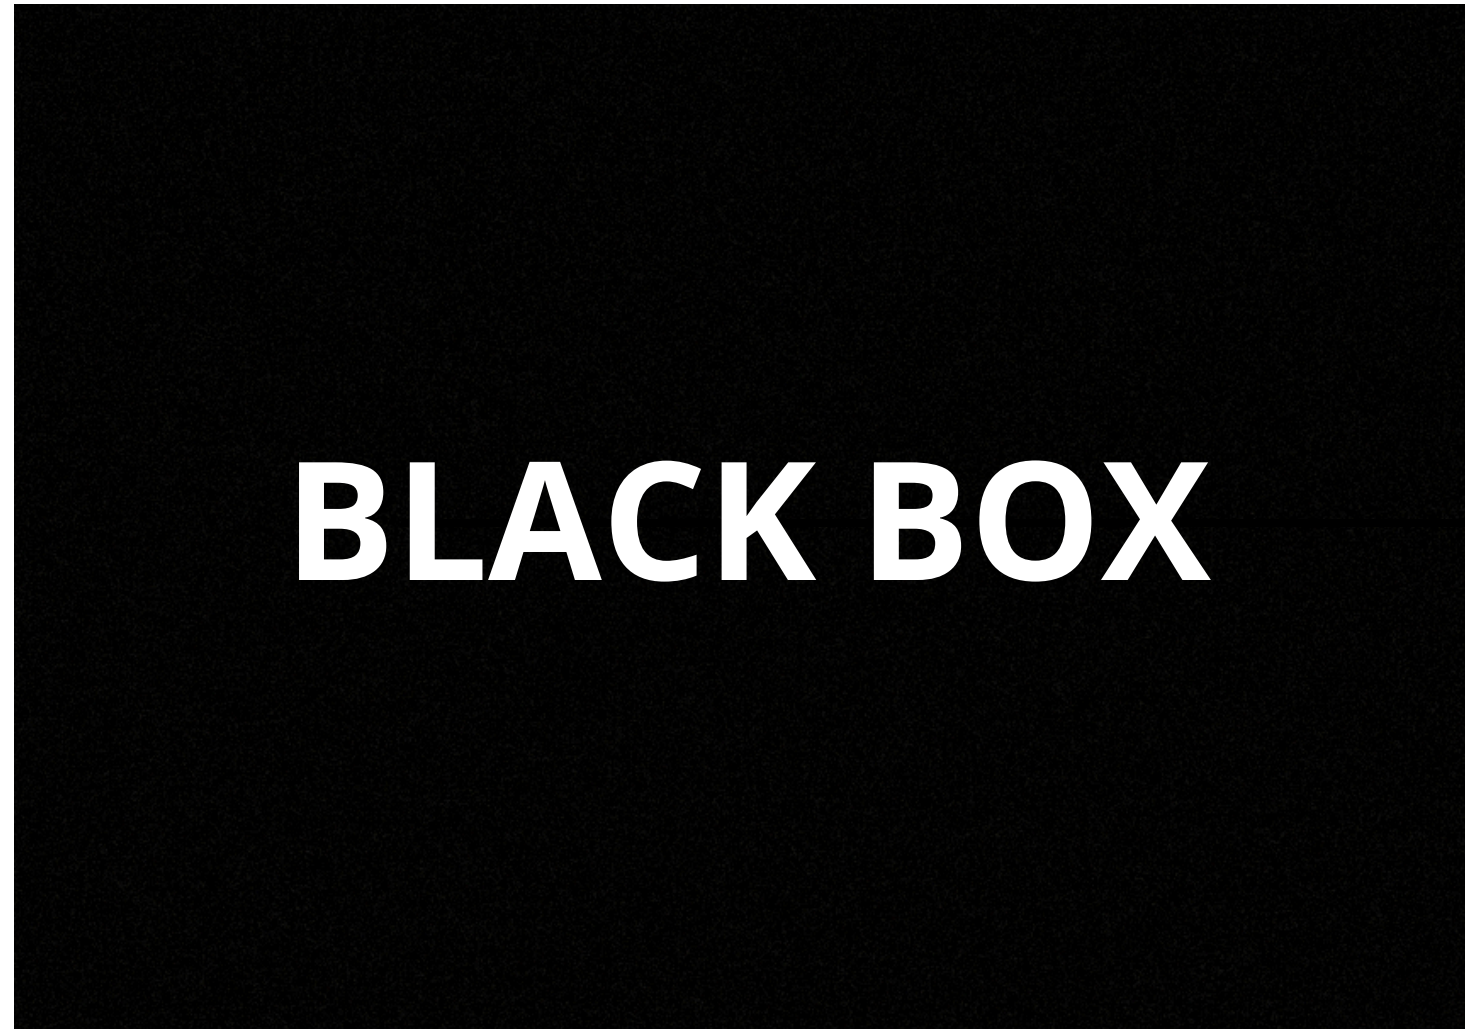

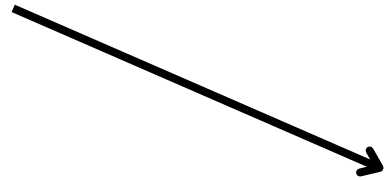

Y

Second number of the ecuation

First number of the ecuation

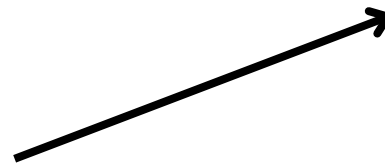

X

RESULT

$X.Y = \infty$

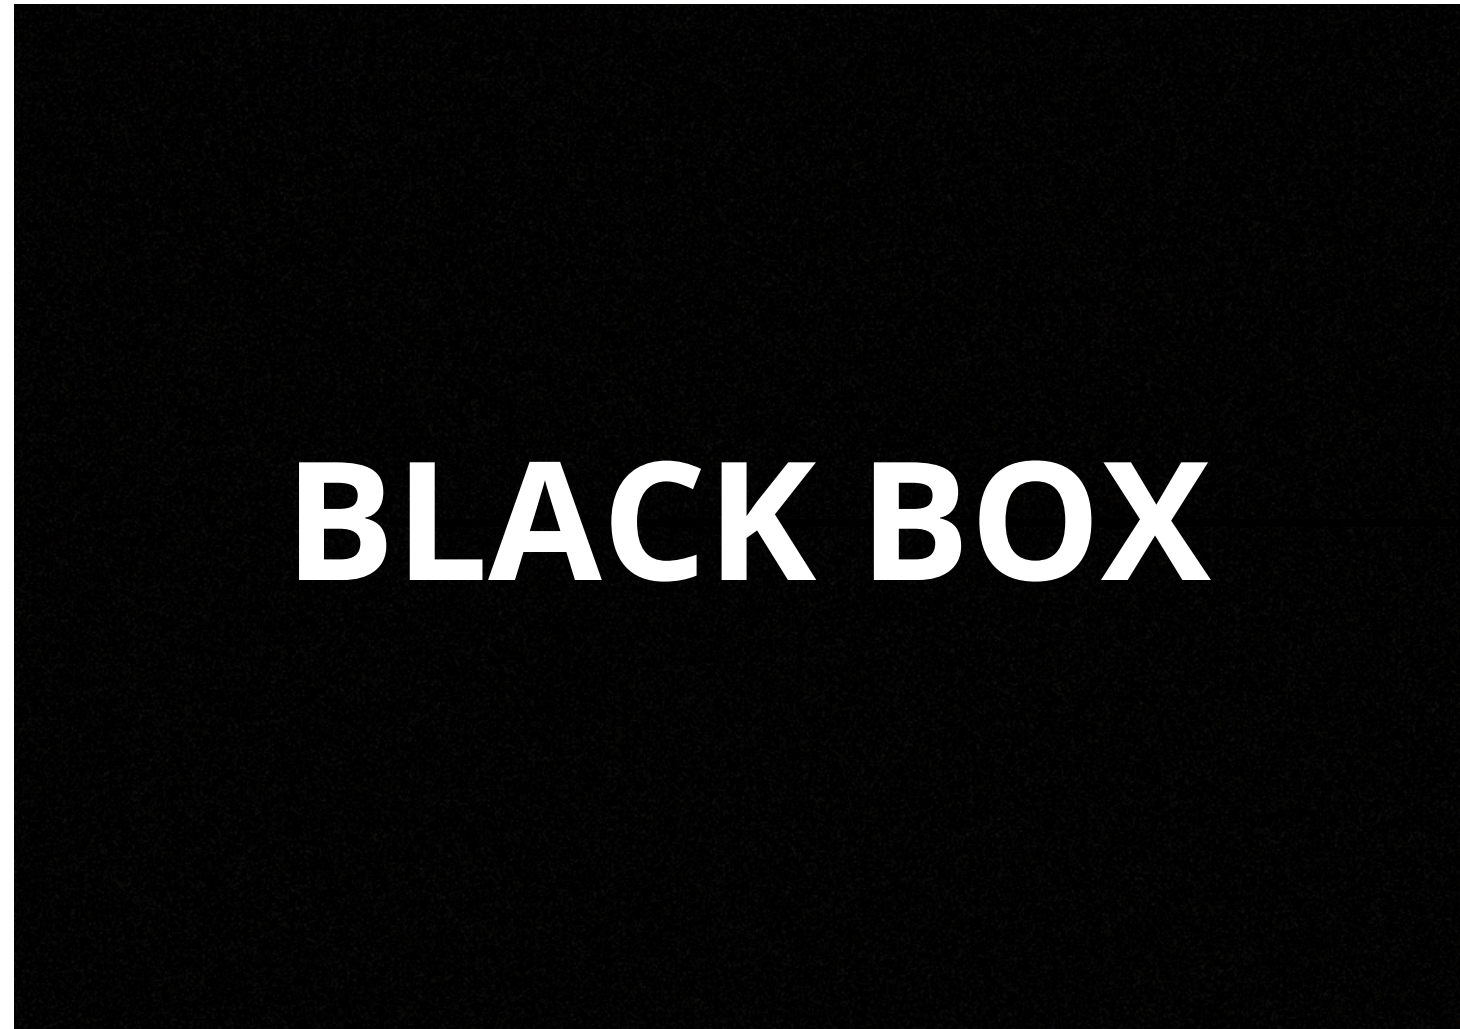

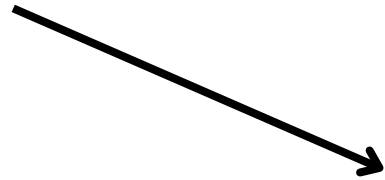

Y

Second number of the ecuation

First number of the ecuation

X

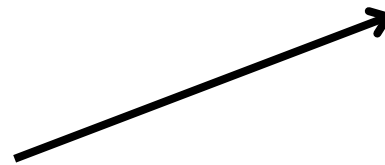

BLACK BOX

RESULT

$$X \div Y = \infty$$

Y

Second number of the ecuation
